

CIF Southern Section Masters Meet

Athletes Advancing to the CIF State Track & Field Championships
Moorpark High School • May 23, 2026

FINAL — all 34 standard events complete • updated for scratches

How advancers are determined. The top six (6) finishers in the first (seeded) heat of each event advance automatically to the State Meet. In addition, any athlete or relay in **either** heat who met or bettered the CIF State at-large standard for that event also advances. All running marks are Fully Automatic Timing (FAT). Field marks compared in inches; running marks in time. Qualifying status is shown per entry: **AUTO** = top finishers of the first heat, **AT-LARGE** = met the standard, **SCRATCHED** = withdrawn.

Completed events: 34 • **Currently advancing:** 283 (288 entries shown, including 5 scratched and struck through below).

Scratches. A withdrawal opens a new spot only when it vacates an automatic (top-finisher) position *and* the next finisher was not already qualifying at-large. Among the current scratches this happened once — in **Girls Shot Put**, where **Tymane Allen** (Cypress, 38' 3") advances in place of Charli Calas. The other scratched entries either were at-large qualifiers or were replaced by athletes already advancing.
