Corona Frosh/Soph Showdown

April 28, 2018

The goal of this meet is to showcase our best young talent and provide them with their own end of the season stage. We want to give your future stars an opportunity to accomplish season long goals. Many programs face limited entries for their league finals as this will be an ideal environment for them to excel.

Our ideal location (right off of the 15 and 91) will help draw in programs from the Inland Empire and Orange / LA Counties.

Finished Results will oversee all online entries and immediate online results. Spectators and athletes are treated to a first class timing system with online results. All entries will be submitted through www.finishedresults.com
