Each team can submit **THREE** athletes per event!!! Athletes will be seeded into sections based on times listed in a descending order list. There will be a 6 heat limit for all lane races. If there are more entries than lanes, then a descending order list will be used to determine the top 54 competitors. In the field events our target number of competitors is 24. Meet management discretion will be used if we will feel that number should increase!

There will be **NO** additions or substitutions on the day of the meet...scratches only can be made!!

Accepted entries will be posted on our website www.arizonawildcats.com on Tuesday, March 17, 2020 by 5:00pm PST. **All entries are subject to verification by the meet management. Please include 2019 or 2020 best marks only, meet name, location, and date!!** Entries that cannot be verified are NOT guaranteed and will be accommodated only if space permits.

A.I.A rules will apply and state qualifying information will be handled by meet management. All athletes **MUST** represent teams from member schools of their state associations. Any **unattached/open** high school athletes may enter the college/open portion of the meet and entry acceptance will be at the discretion of meet management based on entry mark.

Field sizes for ALL EVENTS will be controlled in order to complete the meet with the proposed time schedule. That means that we will only be able to accept a certain amount of athletes in the meet. **All entries are at the discretion of the meet management staff.** The **tentative** schedule is based on maximum entry, an updated schedule will be sent out after all entries are submitted.

Relay Event Entry Procedure

Team will be allowed to enter (one) relay team per school. Please enter actual relay marks that have been achieved in the **2019/20 season only**. After entering your seed mark for each relay event on-line, you will have spaces to enter up to 8 athlete's names per relay. Please include all four runners (in order, spaces 1-4) and any alternates (up to 4 per event, spaces 5-8) in the 8 spaces provided under each relay. You must enter each member of the relay team and any alternate(s) for the relay so we may assign a bib number for each member. Any relay runners who may compete on a relay team must be entered into the meet and have a bib number to compete.

PLEASE NOTE: Coaches we ask that if you do not intend for your relay team to run in the finals of the seeded section of the meet that we are notified ASAP on Friday so that we give other teams an opportunity to attempt to get the qualifying mark for the state meet.
