COVID IMPACT

At this time we will work to keep numbers down in the stadium and warm-up areas. We ask that you do not bring in your athletes until 2 hours prior to their competition time, and to have them depart the facility once their event or events have completed if possible. If there are special circumstances based on travel, please reach out prior to the event.

Masks are mandatory at all times while in the stadium or in warm-up areas. The only time you can take off your mask is when you are given the instruction by an official prior to competition.

Field events – If you are waiting to compete, in line, up next, etc, you will be required to keep your mask on. Only times masks can be taken off are during your competition (i.e. waiting to throw the shot, wear a mask. While throwing the shot, the mask can be removed and then put back on after throw is completed.)

Hand sanitizer stations will be placed throughout the facility.

Team areas will be marked off for each team in NW corner of the stadium.

No active eating or food consumption will be permitted in the meet area or warm-up area. Food must be consumed in assigned team areas.

No shared hydration is permitted. Each competitor must use their own individual water bottle utilizing the hydration station within their team area.

Please practice social distancing to the best of your ability.

There will be no team seating in any of the satellite bleachers or grandstands, please keep your athletes in your team area or in warm-up area.

Bib Numbers

All Athletes are to wear their bib numbers on the front of their uniforms, with the exception of the pole vaulters, who can wear it on the back of your uniform. It is VERY important that competing athletes have their bibs on at all times, this will serve as your credential!! If there are any lost or forgotten bib numbers, please go to the clerk's tent for replacement.

Athletes may check in up to a half hour prior to their running event. But must report no later than 10 min. prior to their event in order to get hip numbers and to be staged. When athletes are escorted out to the start line...**they will be race ready.** . No sweats or warm-ups/athletes should be in uniform and spikes and masked up! The starter will give instruction to remove your mask. Baskets will be provided for each competitor for masks.
