

The Big Meet

3rd Annual Competition

Hosted By: Valley View High School

Valley View High School would like to invite you and your track team to come to a truly community track & field meet. Track is a sport that should bring everyone together and at this time in the season teams get too fractionalized. We want to make this a community meet by having the competing teams have a choice of helping with the meet and therefore having the meet entry cut in half or competing at the full entry fee. The event choices will be on a first come first served bases, so make sure you act quickly. [Shot Put, Discus, High Jump, Hurdle Crew (1 school + Valley View)]. (Pole Vault & Triple Jump have already been taken)
