We will publish an Accepted Entries list so teams can plan accordingly.

Entries must be submitted on Direct Athletics by Sunday, March 17, 2024 by 11:59pm PST. You may edit and update your entries online any time before the entry deadline. Once entries close there will be no additional entries accepted. All submitted entries to direct athletics by the March 17th deadline would be considered FINAL.

The Willie Williams Classic will not adhere to the NCAA requirement for non-speculative marks. Please use your discretion when doing entry performances. The University of Arizona Track & Field Program reserves the right to make additional changes in the seeding process.

If you have a specific athlete with accolades such as a **Conference Champion, All American, National Champion, or Olympic Qualifier please add that in the notes** section in their entry in DirectAthletics.net. Any **annunciation spellings of names to assist** as well would be great in the notes too.

Relay Event Entry Procedure

Teams will be allowed to enter more than one relay team per school. Please enter actual relay marks that have been achieved in the **2023/24 season only**. After entering your seed mark for each relay event on-line, you will have spaces to enter up to 8 athlete's names per relay. Please include all four runners (in order, spaces 1-4) and any alternates (up to 4 per event, spaces 5-8) in the 8 spaces provided under each relay. You must enter each member of the relay team and any alternate(s) for the relay so we may assign a bib number for each member. Any relay runners who may compete on a relay team must be entered into the meet and have a bib number to compete.
