

Coach Downey XC Classic

Friday, September 30th, 2022 at Morley Field

General Meet Information

I would like to take this opportunity to invite you to the **34th Annual Coach Downey XC Classic**. Jerry Downey was the longtime cross country/track & field coach at St. Augustine HS and the founder of the original event. This event continues the tradition of leadership and excellence in our sport that Coach Downey exemplified throughout his career. We hope you consider accepting our invitation and joining us for one of the finest meets in SoCal!

The meet features college/open and high school sections throughout the day. The high school meet is primarily reserved for schools with 1800 or fewer student population. However, invitations are made to schools outside this parameter at the discretion of meet management in the interest of providing the best competitive opportunity to all schools participating. The loops course is primarily grass with some sections of dirt and sidewalk. It features an undulating terrain that makes for a fair and fun cross country course. The course also covers significant sections of the CIF San Diego Section finals course.

Meet specifics are detailed below. If you have questions please contact meet director, Marco Anzures. If you are interested in attending this year's meet, please accept the meet invitation on Athletic.net (for high schools) or email Marco Anzures to RSVP (for colleges/open). All meet information can be found on www.downeyclassic.com. We look forward to seeing you at this year's event!

Sincerely,

Marco Anzures

Head Coach Women's Cross Country (St. Augustine HS '06)

San Diego City College
