

COURSE DIRECTIONS.

Start on the track and go 1 $\frac{3}{4}$ times around and out the gate by the discus field. Go up and down the big hill then go around the varsity ball field. Turn left and go through the parking area and through campus. Turn right between the softball fields and go around auto shop. Go around the mini gym and back to the track. 2nd loop is the same EXCEPT you do NOT run the big hill loop but the lower hill loop. Continue around campus as before and finish on the track.
