The course consists of relatively flat mile loops followed by a finishing loop, creating a spectator-friendly and fast racing environment. Spikes are strongly recommended for competition.

Time Standards

Due to the multiple loops on the course we are setting time standards for this meet.

These standards are for both meet management & safety reasons.

Men 8K = 30:00 / Women 6K = 26:00.

We are asking coaches and individuals to not enter athletes that cannot meet these standards. The race clock will be turned off at these times, and subsequent finishers will receive no time (NT).

We ask coaches and individuals to consider these time standards before scheduling and entering this meet.
