

Spring 2026

Orange County Charter Middle Schools Cross Country League Finals

HOST: Santiago Charter Middle School (Orange, CA) &
Santiago Canyon College (Orange, CA)

DATE: Friday, May 22, 2026

TIME: 3:30pm - Girl's Middle School Race (2 miles)
4:30pm - Boy's Middle School Race (2 miles)

LOCATION: Santiago Canyon College
8045 E. Chapman Avenue, Orange, CA 92869

PARKING: The upper parking lot next to the gym (Parking Lot #7) will be closed for the safety of the participating student-athletes since the course passes through that parking lot. There will be no ticketing (i.e., Free Parking) in Parking Lot #6 only on the day of the cross country meet. There is normally a \$2.00 daily vehicle parking fee at the college which will still be enforced in all other parking lots on the SCC Campus. School Buses should enter the campus from the 2nd traffic light entrance off Chapman Avenue (at the Albertsons Shopping Center) and park along the curb at the end of that entrance roadway. The bus parking location is adjacent to a large stairway that heads directly up to the SCC Athletic Fields where the races will start/end.

COURSE: Course Map is attached. The course will start & end at the top of the campus on the main Soccer Field. The race will start with roughly a quarter mile downhill and will finish with that same quarter mile going back uphill to the soccer field. The majority of the course will be run on roadway and pavement sidewalks, but there will be a few small stretches of dirt pathways mixed in. There are multiple hills/inclines that will be navigated along the course route. The course will utilize a large portion of the SCC campus and is not particularly spectator friendly. Coaches may want to bring a bicycle if they want to get around to different sections of the course during each race.

ENTRY DEADLINE: Entries will be processed Online through **Athletic.net**:
<https://www.athletic.net/CrossCountry/meet/272553/info>

Entries are due by no later than **8:00pm on Thursday, May 21st, 2026**

THIS IS A HARD SUBMISSION DEADLINE

No exceptions can be made due to the close proximity to the event date!

Please try to submit your entries early.

SCORING: The first 5 finishers per school will score. The 6th and 7th finishers on each team will "displace". All additional runners and individuals without complete teams will receive finishing places & times, but they will not be factored into the team scoring.

Team & Individual Athlete race results will be posted online by **Finished Results**
